## **FOSTERING LEARNING IN FULL DAY KINDERGARTEN: CONNECTING RESEARCH WITH PRACTICE**

*This event is intended for school administrators, teachers and parents.*

**TRACI BAILLIE** leads this exciting event which will offer you an opportunity to learn about full day kindergarten programs that are developmentally and culturally appropriate and that are in line with recent research, theories of early learning, and contemporary curriculum trends and practices. Through presentations, 'hands on' activities, and discussions you will gain knowledge about what stimulating and responsive kindergarten environments look like and what experiences best foster children's learning in the kindergarten year.
